March through Holy Week

I, as your pastor, have to be honest with you about this month's devotion in *The Messenger*. I am using the same devotion that I used last year in the March edition of *The Messenger*. Why am I admitting this to you and why am I using the same devotion? It's because I don't want to lie or deceive you with my devotion, but more importantly, last year we weren't able to celebrate Holy Week in the typical way. This year I want to reuse this same devotion to make us prepared and appreciate what Jesus did for us. So, as Holy Week begins on the last Sunday of this month, let us, Lord-willingly, celebrate as we march through Holy Week.

Palm Sunday: This is the day that begins Holy Week. Jesus entered into Jerusalem riding on a donkey, and the people praised God and shouted, "*Hosanna to the Son of David!*" (Matthew 21:9). Two things we take note of on this day. First of all, the reason why Jesus came into Jerusalem riding on a donkey was to fulfill Scripture. This brings us comfort because every single prophecy about the promised Messiah was fulfilled in every detail in Jesus' life. The other thing we take note of is that Jesus entered into Jerusalem to die. There were other times when people threatened to take his life, but Jesus would say that his hour had not come. With his entrance into Jerusalem Jesus showed that his hour had finally come to fulfill his Father's will.

Maundy Thursday: Do you know what the word "Maundy" means? It's a Latin word which means "command." One command that Jesus made was when he commanded the disciples to wash one another's feet to show love by being a servant. Another command from Jesus was when he said, "*Take and eat; this is my body. Drink from it, this is my blood of the new covenant*" (Matthew 26:26-28). Here Christ instituted the sacrament of Holy Communion. When we take and drink the body and blood of Christ connected with the bread and the wine, we receive our Lord's forgiveness from our sins.

Good Friday: Yet there is no way that our sins could be forgiven unless Good Friday happened. Jesus was betrayed by Judas and arrested in Gethsemane. He was put on trial before Pilate, and the crowd that once shouted, "Hosanna!" now shouted, "Crucify him!" But what is important for us to notice is what Jesus shouted. On the cross he said, "*It is finished*" (John 19:30). When Christ said these words, he declared that all of our sins were paid for in full. Then Jesus breathed his last and died.

Easter Sunday: Good Friday could not be called good unless Easter Sunday happened. For if Christ had remained dead then our faith is futile, and we would still be in our sins. But Christ is risen, therefore, our faith is not futile and we are no longer in our sins. We have eternal life because of Christ. Our fellow believers who have passed away are experiencing that Easter joy right now with their Savior, and we have that same guarantee as well. Death has been swallowed up in victory. Thanks be to God that he gives us the victory through our Lord Jesus Christ.

This is what truly makes Holy Week so holy. For what Christ has accomplished for us during that first Holy Week still applies to us each and every week of our lives. We receive his forgiveness in Communion. Our sins have been paid for in full. We will live with God forever. For this we gladly praise our God and shout, "Hosanna in the highest!"

- Pastor Neal Behm

Bible Study Opportunities at Christ

Sunday Adult Bible Study meets at 9:15 am in the sanctuary; the current study is *Our Christian Response to Blessings and Challenges Part 2*.

We always need God's guidance and the reassurance that He loves us, especially when we face difficult challenges. We also need to remember that God uses even our most difficult challenges to bless us. But sometimes obvious blessings cause us to stumble just as much as the challenges do. This Bible study leads us to think about how redeemed children of God respond to blessings and challenges in a way that glorifies our Lord.
